General Yard Rules

1. Winter Storage begins October 15th and ends April 15th. Boats that remain after that without contract or launch date may be charged storage at applicable rates. IBY is not responsible for trailers left in the yard, must be removed.
2. All portable fuel tanks must be removed or drained including Propane tanks.
3. It is advised that customer make periodical inspections of boats interior for water/ice damage.
4. All summer canvas must be stowed in the down position.
5. All personal gear and equipment should be removed and stored.
6. Owners may perform work on their boat from the waterline up. All bottom work including bottom paint, through hull and transducer installations, struts, shafts, props and zinc installation must be performed by the Island Boatyard (IBY). If owners are found to be working below the waterline, IBY reserves the right to refuse launching. Sanding must be done using a dustless system.
7. NO OUTSIDE CONTRACTORS unless they are arranged and billed through IBY service department.
8. Absolutely no torches, open flames or heaters are to be used anywhere in the yard.
9. Each owner is requested to keep the area around their boat clean or IBY will do so and bill accordingly.
10. Owner may not discharge or spill overboard waste, oil, fuel or permanent anti-freeze. Owner will be held accountable for any fines associated with a spill. In the event that the owner is not available, IBY will notify proper agencies and proceed to contain and clean spill area – owner will be liable for any charges in such a case.
11. Owner is to have the boat covered by full marine insurance package such as hull coverage as well as indemnity and liability coverage. Owner agrees to release and discharge the Island Boatyard Inc. from any and all responsibility for injury (including death) loss or damage to persons or property in connection with IBY, Inc. This release and discharge shall cover without limitation any loss or damage resulting from IBY, Inc., Owners, Employees Docking or Hauling Owners Boat, unrecognized structural defects, vandalism, theft, fire, high/low water, wind collision, ice rain or any other act of God.
12. Disposal of batteries, waste oil/filters in marina garbage is prohibited.
13. The boat owner will be personally responsible to IBY for all attorney's fees incurred by IBY in the collection of any outstanding balances due to IBY, and for all actions and claims in regards to placing and enforcing mechanical liens against owner's boat and property for collection of any outstanding balance due to IBY. It is agreed that any legal action by either party will be brought up in Shelter Island Court.
14. Boat owners should not plan to be present for hauling or launching since this will be done at the discretion.
15. This contract shall be null and void if condition of boat does not apply to standards of a safe and operational boat. Contract deposits shall be returned once boat leaves the property.
